

## **Administrator Console**

Note: Before you can access the Administrator Console, you will need to make sure that Microsoft Silverlight is installed:

- https://www.microsoft.com/silverlight/

To access the Revit Server Administration Console to start creating projects, open your Internet Browser and enter the following address:

- <u>http://server01/RevitServerAdmin2019</u>

AUTODESK' REVIT' SERVER ADMINISTRATOR 2019	0
Server01  Server	

- Select, create New and enter the Project name.

$ \left( \bigoplus_{k \in \mathcal{K}} \left\  \frac{1}{2} \int_{\mathcal{K}} \frac$	Server Administrator X	- 🗆 × ଲିହି® <mark>୭</mark>
